I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

Statement

06/17/24

I Myori Granger file this complaint against attorney Tyrone A Blackburn, for Harassment and Defamation.

PS. 3-10 [I have also attached supportive photos for proof of his psychotic break. Blackburn and I have never met in person yet in the following images you will see how salacious and malicious he behaved unprovoked. Referring to me as a "bitch" numerous times, making false claims on my genitalia, subliminally making a death threat towards me and then apologizing for it all ONLY after finding out I was at the police station reporting him. I do not feel safe and he has made me feel in danger.]

-Please also take note that Alysohn (Aly) is my best friend also his ex fiancée.

[Statement of Facts]

PS. 1 [Attorney Tyrone A. Blackburn has had yet another psychotic break. This time attacking me verbally unprovoked. Sending me threatening and demeaning text messages due to his infidelity towards his now ex fiancée (my bestfriend). I had to report him to the police out of fear for my safety after he threatened me. I do not feel safe nor at peace knowing he is around causing chaos with false fabricated salacious allegations.]

Tyrone and I have never met in person, yet according to his ex fiancée he sought spiritual information about me from an "African Shaman" in Brooklyn, NY. Tyrone is clearly mentally unstable and threatening.

PG. 11-13 [The only interactions he and I had were last year 2023 when he was supposed to represent me in a work related case; however, that did not push through due to the fact he and my friend broke up during that time and he could not remain professional. So I had decided on May 30th 2023 to let him know I would be seeking another legal attorney that could better assist me. (Please see attached photos)]

Also, stated by my friend Aly, he had illegally gained access to her locations, personal emails and text messages, spying on the private conversations she and I were having. His behavior has shown to be extremely inappropriate, obnoxious and overly obsessive on all accounts and I am fearful for my safety.

Please see attached all documents of previous contracts and communications from April-May 2023 and current photos of the threatening messages sent to me from Blackburn as of 4/14/2023

PS. 14-16 [-Note Tyrone Blackburn claims in the last text message that his cousin took hold of his phone; however, Tyrone has a history of portraying this salacious behavior. As shown in attached, Judge Denise L. Cote has also reported Tyrone to the Grievance Committee in regards to his "malpractice" for the exact behavior he has too shown towards me. To also add that in the event he claims to not have sent that very long message, he still admits to having said false, salacious information about me to a third party!]

PG. 2 - I have also reported Tyrone to the Committee

Case No. 24-0035848

78. Narrative: On 04/17/2024 at approximately 2217 hours, this undersigned officer along with Officer M. Huerta responded to 15 South Munn Avenue (Headquarters) for a harassment complaint. Upon arrival, we met with Ms. Myori Granger who stated she was harassed by her best friend's boyfriend.

According to Ms. Granger, on this date, she received a text message from Mr. Tyrone Blackburn where he called her a "bitch" numerous times, texted her, "I hope your mother has a life insurance policy because you are worth more dead than alive", and made various statements to her that she claimed were false. Ms. Granger stated Mr. Blackburn does not know where she lives however, stated she is in fear of her safety because she does not know what Mr. Blackburn is capable of.

The victim advised these officers she believes that these harassing text messages stemmed from Mr. Blackburn believing she was the reason for him and her best friend's recent breakup. The victim also stated Mr. Blackburn is a lawyer who practices out of New York and New Jersey, mutually knows him through her best friend, and has represented her as her counsel in a lawsuit. She went on to state she has never met or seen Mr. Blackburn and has only communicated with him in the past regarding her case with her former employer.

Officer [REDACTED] showed me a text message sent by Mr. Blackburn where he called her a "bitch" multiple times, accused her of cheating from her best friend, accused her of having sex with multiple people, and having venereal diseases. The victim stated those statements were not true.

Officer [REDACTED] and Sargent [REDACTED] were advised of the victim's statement.

I was not planning on ever speaking to you, but I must share that you are a trifiling dirty bitch. As soon as I saw your photo I knew what you were into. But best believe what's done in the dark always comes to light. Allison is extremely naive. She does not have the proper protection and safeguards to defend against what you, your grandmother and whomever else you go to are doing.

Your life is shit. Your life will continue to be shit. You will never find true happiness. You will get old, you will be lonely, and

1:23

old, you will be lonely, and you will be broke. You got Ally to spend nearly \$200k on a fucking apartment she didn't live in. You had your drug dealing man steal her vehicle and do a drug run to Mexico, which I have reason to believe you were probably with him. He stripped and dumped her car and you knew it and said nothing for months. You are a worthless bitch, and I am referring this shit to the Feds.

You stole all of Ally's Chanel Bags, you stole her shoes and her clothes, and have the fucking nerve to wear her shit, FaceTime her and when she ask you

about her shit that she sees you in you have the nerve to say you look better it in than she does. What a fucking joke. I told Ally not to have your fucking ass in my car or in the apartment. She does not listen. I told her you're fucking evil and she should not eat or drink from you. But Ally does not listen. I told her not to go to your fucking mothers house. She did not listen. Then you pop up at the dress fitting, you go to my friend Roses house and insult her with your stupidity, and classlessness, and within less than a month Allys life is in shambles. You don't see that you are a fucking blight?!

No respectable man will ever marry. You are a pass around. You're just good to get fucked, to suck dick, and then to get dumped.

That's it. You have no value. You are not smart, you have no skills, and the only thing you do ("modeling") you're not even the best in your business at it. You ain't shit.

You are a worthless soulless bitch, and I was praying for the day that I

Re: Myori Granger Employment Matter

Dear Mr. Nazarian,

My firm has been retained by Myori Granger ("Ms. Granger") regarding her employment with SBE Entertainment Group ("Respondent"). The Respondent hired Ms. Granger on or about June 1, 2022. Ms. Granger's most recent title is VIP Host. On or about March 16, 2023, Ms. Granger was physically and verbally assaulted by Romy Farhadi ("Farhadi")— General Manager at Hyde Sunset. Ms. Granger escalated these incidents to the following managers: JC Ayon-Torres, and Heather Ward. They FAILED to address the matter appropriately. In fact, on April 5, 2023, in a direct act of retaliation and a clear violation of California employment law, the Respondent made the foolhardy decision to write Ms. Granger up for "insubordination."

The respondents' actions clearly violate California's Fair Employment and Housing Act (FEHA). A *prima facie* case of retaliation in violation of FEHA requires Plaintiff to show (1) that she engaged in protected activity; (2) Defendant subjected her to an adverse employment action; and (3) a causal link between the protected activity and the adverse action. (*Yanowitz v. L'Oréal USA, Inc.* (2005) 36 Cal.4th 1028, 1042.), *Muniz v. Sutter Valley Hosps.*, 2019 Cal. Super. LEXIS 53384, *17. Here, Ms. Granger filed a complaint of assault by Farhadi. Within less than a month, Respondent wrote Ms. Granger up and accused her of insubordination regarding the assault. The temper of proximity between the assault, Ms. Granger's complaint of the assault, and the Respondent's disciplinary action against Ms. Granger are so close that it removes all doubt of retaliatory intent.

In furtherance of their act of retaliation, on April 6, 2023, Ms. Granger was removed from the company email platform and isolated from her colleagues via Microsoft Teams. An employee's formal or informal complaints to a supervisor regarding unlawful discrimination is a "protected activity," and actions taken against the employee after such complaints may constitute retaliation.

Lawyer Behind Diddy Sexual Abuse Case Criticized by Judge Over Pattern of 'Salacious' Case Filings

A judge says Tyrone Blackburn – lead counsel in a high-profile case against Sean Combs – aimed to "embarrass defendants" with "salacious allegations."

An attorney who filed one of the several sexual abuse lawsuits against Sean “Diddy” Combs is now facing potential discipline himself after a federal judge in another case sharply criticized him for filing suits designed to “garner media attention” and “embarrass defendants.”

In an order issued Wednesday (April 3) in a separate lawsuit, Judge **Denise Cote** referred **Tyrone Blackburn** to the grievance committee for New York’s federal court district – an entity that decides whether attorneys have violated court rules. She cited his conduct in five different lawsuits, saying Blackburn’s filings in those cases had featured “glaring deficiencies.”

25

“A reasonable inference from
~~please checkbutte's~~ is that
he improperly files cases in federal
court to garner media attention,
embarrass defendants with salacious
allegations, and pressure defendants to
settle quickly,” Judge Cote wrote.
“Indeed, his submissions to this court
have been rife with disturbing
allegations against the defendants and
defense counsel.”
